| <b>Contractor's Name</b>                                        |                         | <b>Contact Person</b>           |              | <b>Telephone</b> |
| <b>Contractor's Mailing Address</b>                             |                         | <b>City or Town</b>             | <b>State</b> | <b>Zip</b>       |
| <b>Email Address of Person to Contact When Permit is Issued</b> |                         |                                 |              |                  |

Please provide a **Plot Plan showing** the proposed location of all new signs relative to all buildings, roads, driveways and property lines. **Include** the setback distances for free standing signs from adjacent property lines, streets and driveways and street intersections. Also **include** the measurement(s) of building perimeter. (See example on back of this page.)

# SAMPLE DRAWINGS SHOWING INFORMATION THAT SHOULD BE PROVIDED

Example of Free-Standing Sign Drawing

Example of Projecting Sign Drawing

Example of Sign Location Plan for Wall Signs

Example of Sign Location Plot Plan

Please provide a **sketch of each sign**. Include the **length and width** of each sign, **materials used for construction and attachment** of the sign, the **height from ground level** to the top and bottom of free-standing and projecting signs and the message. For Wall Signs please show where signs will be placed on each face of the building. (See examples on opposite page.)

Comment / Condition \_\_\_\_\_

Please provide a **sketch of each sign**. Include the **length and width** of each sign, **materials used for construction and attachment** of the sign, the **height from ground level** to the top and bottom of free-standing and projecting signs and the message. For Wall Signs please show where signs will be placed on each face of the building. (See examples on opposite page.)
